

**Craftsbury Neighbor to Neighbor Committee**  
Meeting Agenda 4.27.23 7pm  
**IN PERSON at Town Hall**

1. **Discuss and approve minutes of the 2/2/23 meeting.**
2. **Review calendar of N2N assigned tasks from Hazard Mitigation plan**
3. **Schedule summer season N2N tasks for Hazard Mitigation compliance**
  - Work with home health care providers and volunteers to increase awareness of heat illness. (mid-term-24 mos) Outreach/info out to community
  - Identify elders at risk in a heat emergency and identify spaces/buildings where they may find relief from heat. (Mid-term 24 mos) Promote statewide special assistance list for specific vulnerabilities (not just for heat-all emergency situations)
4. **Decide where to direct leftover funds from the Vermont Everyone Eats project.**
5. **Rethinking, updating and expanding our mutual aid effort**
  - Review and tweak proposed wording changes for town website.
6. **Plan a special N2N meeting to learn more about the informal neighbor to neighbor connections already existing in the town, and plan to share the information in a way that will help us build a more comprehensive network going forward. The meeting will bring key people together to share their knowledge with us. We could use both the Grand List and a town map at the meeting to identify the gaps and opportunities. This will be a start in figuring out how to build/rebuild community connections in post pandemic times.**
7. **Discuss possible initiatives to foster community connectedness-Leslie**
8. **Check in: Thoughts/Needs/Concerns from representatives:**
  - Food Security - Kris
