Absent: Dave Rowell, Alison Blaney

Meeting called to order at 7:03pm

1. Gordon motions to approve meeting minutes from 1/17, Ross seconds. Minutes approved.
2. Alison presented the findings of the 2023 Craftsbury Community Survey Report, results and key takeaways to be publicly posted prior to CVM workshop. Alison and Kyle (NVDA) will further review written comments, compile them into the final report.
3. Community Values Mapping Workshop (**Wednesday March 20, 6pm, final location TBD**)
 - Seeks to identify places in Craftsbury that are important to town residents (working lands, recreation, hunting/fishing, history, scenic/natural areas, community hubs)
 - Reiterated that the CVM workshop's purpose is to generate a heatmap of these important areas
 - CVM Facilitators group will finalize flier, get to print asap
 - Important for attendees to pre-register so we have enough pizza!
 - Reviewed mock town basemap, edits suggested for final workshop versions
 - Farley will sent out a schedule for FPF announcements
 - CVM Workshop is part of gathering more information from residents for Act 171/Town Plan
4. Legislative update from Farley: asked to represent Craftsbury before legislature as they work towards Act 250 rewrite.
5. Ross makes a motion to adjourn, Rudy seconds. Meeting adjourned at 8:57pm.
