Forestry Committee:

*Mike Renaud would like to be appointed to the Municipal Forest Committee. For several years, he has donated his time and equipment to prune trees on the Common, for public safety and so we can reduce the need for less careful pruning by Hardwick Electric.

*We discussed the tree accidentally damaged by Jeff Fellingner during Antiques and Uniques, and Jeff's offer to replace it. We agree that the damage is extensive enough that the tree might not make it, but we'd like to give it a chance. However, we think it's prudent to plant another smaller specimen just in case. Stuart LaPoint found a potted hop hornbeam tree that could be planted this summer, at a cost of \$149 plus tax. We are proposing that the town split this cost with Jeff, with the town's share coming from the logging fund.
