

Craftsbury Energy Committee

Minutes: 7-25-13

Attending: Amelia Fritz, Kevin Gregoire, Lisa Sammet and Mabel Houghton

Meeting started at 7:15 PM

1. Amelia put together a basket of energy saving devices to be auctioned at The Art House auction on Aug.2.
2. Report on the Hardwick Electric Dept. Net Metering Public Engagement meeting on July 27
  - They will be holding two more sessions
  - HED, Vermont Electric COOP and Washington Electric COOP have met their 4% cap on net metered projects
  - Amelia will write up her notes on the meeting
3. OLD HOME DAY Sat. Aug. 10 plans
  - Solar panels used on last year's float are available
  - Our Theme: weatherization
  - Kevin will contact Adrian Owens about using bicycles and bike trailers
  - Anyone who wants to walk with our group can carry sign and/or banner
  - Hand out tips for saving energy – business card size
  - Also, perhaps hand out pledge cards for the VT Home Energy Challenge
  - Have an informational table at the Farmer's Market that morning- and maybe have a few people who have weatherized their homes available to talk with people. Mabel, Kevin and Amelia will call prospective people
4. Presence at the Recycling station for the summer: no one can do it. Too busy in the summer
5. PAREI (Plymouth Area Renewable Energy Initiative)
  - Possible field trip on a day when they do a community "barn raising install" of solar hot water
  - Show their DVD again
  - Kevin will look into going over to Plymouth

Meeting ending 8:30 PM
