

## **CEC Minutes**

**Jan. 22, '15**

**Present:** Kathy Stark, Ned Houston, Kevin Gregoire and Amelia Fritz

**1) Good Neighbor Fund-** Article in warning uses very general wording. Presentation at Town Mtg. could be helpful.

School Energy Management Program includes a free audit and comprehensive report from which decisions can be made for priorities for weatherization needs for school buildings. Ned will meet with Steve M.

**2) Street Lighting-** HED will provide a map. listing of present Craftsbury street lights. Team needs to be gathered that will assess placement of current light to be replaced with LED fixtures, adding lights, and/or removing some.

Street Light Forums will be held after Town Meeting to hear from residents on Common, in Village and in E. Crafts.

Gina Compoli, Craftsbury's rep. on the Hard. Electric Board will be involved in this team effort. The Planning Commission will also be invited to be part of this project.

**3) Energy Plan-** Ned would like a copy of the last plan to review.

**4) Films-** Mabel and Kathy offered to review energy related films and recommend some for us to sponsor for one of our public education programs in the spring/ summer season.

**5) Speaker Series:** Feb. 18, Passive Solar Alliance @ Lib. {THAT HAS BEEN CHANGED TO TH. 2/26!!}

**Next mtg.: Th. Feb. 19, Public Lib. 7pm.** See you there! Someone want to bring a tasty treat?
