

3/17/22 Craftsbury Energy Committee Meeting Agenda

Welcome to COC athlete, Jen Forbes, a new Energy Committee member! We look forward to working with you!

1. Town Hall Weatherization Update - Craig

- Push for ARPA funds to weatherize Town Hall? / Drainage / Foundation Repair?
- Construct Removable Insulated Box for Air Conditioner?
- Formal Energy Audit of all Town Buildings and Utilities - Eff. Vt.?

2. Firewood Project

- 10 - 11 cords of log-length wood for this Spring processing
- Columbia Forest Products cut ends
- Jared Nunery possible couple truck loads
- Apply for Grant to pay for delivery of firewood for those who cannot haul it themselves
- Firewood Processing Bee after April 15th?

3. Window Insert Program:

- Workshop dates at the COC with WD Jigs: Friday, 10/21 - Sat., 10/29, but we will hopefully start building frames 3 days prior on 10/18.
- Albany and Greensboro will run their workshop at the same time as ours at the COC for maximum number of people at the Workshop
- The three towns total 400 inserts in 9 - 12 days.
- Encouraged to help Glover with their Workshop right after ours.
- 95 inserts committed so far. 4 other households interested
- If by spring we don't have 175, open it up to out of town folks? Or, another offering in the fall when it starts to get cold?
- Free Insert requests are low right now, maybe 15 free inserts.
 - Marketing to low income households: - Food Shelf Fliers, - Door-to-door?, - Table at Recycle with display? - Genny Porch? - FPF
- Measuring late April or May? Preference for time period?
- Apply for another 2022 grant once we know the numbers of free inserts?

- Volunteering for [Window Insert Team Positions](#): Please look over and commit where you can at this time:

4. Low Income Home Weatherization

- Fliers in Food Shelf deliveries.
- Door-to-door?

5. Micro Grid update - Vince

- Attend HED Board Meeting presentation on 3/22 or 2/23, 5 pm.

6. [Efficiency Vt's Better Buildings By Design annual in-person conference](#), this been moved to April 27 and 28

Next Craftsbury Energy Committee meeting: Thursday, 4/14//22 - 7 pm.
